

“As a transgender Latinx living with HIV, I have not honestly felt welcomed in many communities. Working with The Well Project has been a great opportunity to feel that I am part of a family and a community. Even though many Latinx women experience discrimination and stigma, I believe it is important to focus on living positively and healthy and to enjoy every day to its fullest!”

**ARIANNA LINT— Ft. Lauderdale, Florida
Community Advisory Board member and
Una Chica Como Yo blogger, The Well Project**

#onewomanatatime

www.thewellproject.org

The Well Project is a global resource that leverages technology to improve health outcomes and increases quality of life for women and girls living with HIV.

Together, we can change the course of the HIV epidemic...one woman at a time.
